Volunteers Wanted!

It takes the time and talent of many volunteers to make our program successful. Our catechists and aides help to provide age-appropriate formation. **You do not have to be a trained teacher or have any prior knowledge beyond a desire and willingness to share your faith.**

“There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit.” (1 Corinthians 12:4-7)

All Adult Volunteers must:

- **Submit DOJ Adult Volunteer Application** – done once, does not need to be resubmitted annually
- **Attend a Protecting God’s Children Virtus Workshop** – Workshops are now available online. <https://www.virtusonline.org/virtus/>
- **Have a completed Background Check** - this is done every five years and is part of the online process
- **Complete 6 hours of approved formation annually.** See the Director (Mary Glaudell) for formation opportunities.

Youth Volunteers must complete the “Minor Volunteer Form” prior to assisting. All Youth Volunteers will be partnered with at least one adult volunteer.
